Serving the Sarnia-Lambton Area since 1987, Nel-Tekk Industrial Specialties is a leader in the insulation and abatement industry. From our headquarters in Sarnia Ontario, we have completed thousands of insulation and abatement projects of all sizes. We are experts in the Petro-Chemical/Industrial sector and have extensive experience in the Commercial and Institutional sectors.

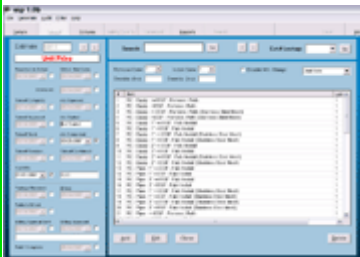

## SAFETY

Safety is our number one priority and responsibility to our workers. We have achieved over 2 Million man hours & over 20 years without a single lost time injury. This did not happen by accident! Our perfect Safety Management Assessment scores & industry leading safety program attest to our commitment to zero injuries. Our focus is on maintaining our zero injury ratings, not achieving them! We invite you to see for yourself the investment we have made and the value we can add to your organization.

## PRODUCTIVITY

We can supply all of the labour & materials to meet your requirements. Our strengths include Unit rate labour and material contracts; Give us your schedule and leave the rest to us with no hidden extra costs! Nel-Tekk is proficient with a broad range of insulation systems including aluminum, stainless steel, galvanized, PVC and canvas finishes with mineral wool, cellular glass, ceramic fibre, calcium silicate insulation. We are certified installers of the Insul-Therm tank insulation system and the Aspen Aerogel line of products. We have expert staff to handle your Asbestos, Mold & Lead abatement where regulatory compliance is a must for everyone's safety. Asbestos sampling, metal fabrication, fireproofing, removable covers & inventory management are only a few of the other value added services we can provide. We have a custom computerized work management system capable of an unparalleled level of tracking and reporting. If dollars & cents matter to you, we invite you to preview our capabilities.

## SERVICE
